## Ankur Sarkar

3★@CodeChef, 5★@HackerRank

I'm a Sophomore currently pursuing B.tech in ECE at JIS College Of Engineering. I believe that real-life projects are the best ways to sculpt out a skilled & dedicated professional out of a student. And hence I am eager to work with the IT companies to get an opportunity of exploring new challenges and to enrich my problem-solving skills.

## My Skills

Python	Flutter
C	MySQL
C++	Bootstrap
JavaScript	Tailwind CSS
HTML5	Github
CSS3	Dart
React JS	Web Development
Data Structures	Machine Learning
	Artificial Intelligence

## Languages Known

- Bengali (Native/Bilingual)
- English (Professional)
- Hindi (Professional)
- Japanese (Elementary)

## Accomplishments

- Ranked 15th at the Google Cloud Community Days India Quiz
